- Dated Series...
1909-2009
- Coin Sale Proceeds to be Used for Special Fair Project...

The Friendly Fair™ is proud to release this commemorative coin to celebrate 100 years of the region's largest community event. Only 101 coins have been minted ...and numbered in series from 1909 - 2009. The first and last coins in the series have been placed in the Fair archives ... the remaining 99 coins are now on sale and available to the public.

Coins are precision manufactured from brass, then thin-plated with gold. Each coin is housed in a protective plastic cover to keep it in pristine condition. An individual year is engraved in the area shown in the illustration on the left.

Choose the coin from the Fair year near and dear to your own heart ...maybe your first visit here, your first date here, the first time you won a prize here, ...this official "Centennial Celebration" coin is an ideal keepsake of your Fair memories. Also great as a Thank-You, birthday, or Christmas gift. **Available at the Fair office (360) 740-1495 or (360) 736-6072. Price: \$100.00**
