## RE: 2010 FALL HOME & GARDEN SHOW

### "You're Invited!" - Early-Bird News & Registration

---

Dear Friend-In-Business,

The 2009 Fall Home & Garden Show was the start of a wonderful new tradition here at the Southwest Washington Fairgrounds. Many thanks are due the 55 vendors who took part in the first year.

Now, it's time to start work on the bigger and better 2010 edition.

**1. Announcing new dates – Sat. & Sun. Oct. 2-3** (no longer any scheduling conflicts with late season fairs. Plus there is another major event on the grounds Saturday, guaranteeing tons of show traffic.)

**2. New guest star – Marianne Binetti** has been signed to appear in Friday. She's terrific. Ed Hume will be here of course, and we'll be adding more speakers & entertainment to the schedule soon. All speakers and entertainment are free to the public at this event.

**3. New building – whole show now under one roof in the Blue Pavilion.** This is the nicest building on the grounds...modern, completely enclosed, heated, built-in concessions and restrooms, nice floor, easy load-in, 77 vendor spaces available.

Booth space is a reasonable \$147.00 ...booths measure approx. 12' wide by 8' deep, furnished with 2 tables, 2 chairs, & electric (at no extra charge). *Registration form enclosed.*

Join us for the 2<sup>nd</sup> big year of this showcase event – you'll be glad you did.

Questions? Need more info? Don't hesitate to call Pat Slusher @ (360) 740-2655.

Sincerely,

Patrick Slusher, Fair Marketing

P.S. If you're interested in providing a speaker or demonstration for this year's show, please let us know and we'll get you on the schedule. Thanks.
