Dear Garage Sale Friend,

Thanks to you for helping make these Community Garage Sales real community events. It's time for the Spring sale and I'm getting this letter out to you **early** .... so you have plenty of time to get ready for a great sale.

It looks like there'll be room for about 350 vendors inside (**Spring 2011 we had 416 vendor booths!**) and an additional 130 "covered" booths. You can send in your registration and check by mail, or pay by credit card over the phone at 360-740-1495 or (360) 740-2655. (Fair Office).

**Previous sellers have first dibs on their space till March 1, 2012.** All spaces are assigned as buildings fill up ... **you'll get confirmation with your space number by return mail ...about a week before the sale.** All other basic sale info is in the box in the top right-hand corner of this letter.

Save this letter for future reference.

If you've got questions, concerns, ideas, or just want to say hello - give me a holler at 360-740-2655 ... please leave a message. Calls are returned asap. Always glad to hear from you!
